If you feel creative, maybe you would like to make these chickie buns for Easter Dinner- It looks pretty simple. Use raisins for the eyes pushing them into the dough so they don't fall off during baking. You can send pictures to the Borough's facebook page for the world to see- Good luck!

Words of Wisdom from the Easter Bunny

Don't put all your eggs in one basket.
Walk softly and carry a big carrot.
Everyone needs a friend who is all ears.
A cute little tail attracts a lot of attention.
Everyone is entitled to a bad hare day.

Some body parts are meant to be floppy.
All work and no play can make you a basket case
but don't worry because Moses was a basket case
and he turned out ok.

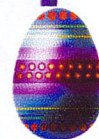

(Well, he was lost in the desert for 40 years
because he wouldn't ask for directions...
maybe we shouldn't go there.)

Keep your paws off other people's jelly beans.
Good things come in small, sugar coated packages.

The grass is greener in someone else basket.

A good friend is one who still thinks you are a good egg,
even though you are half-cracked.

Always let happy thoughts multiply like rabbits.

Over 21 million egg laying hens were lost over the last few months due to the Avian Bird Flu. Egg production declined-less eggs in the supply chain- prices went thru the roof. The good news is that prices will decrease by the 2nd quarter of 2025. Pennsylvania is listed as one of the states where the cost of eggs is the lowest. Today the price for a dozen eggs is \$5.99.
