My Christmas Wish

I wrote a letter to Santa,
Inside it was my wish;
All the things I wanted
Written nicely in a list.
I wished there was not hunger.
I wished there were no war;
That all the people fighting cancer
Would finally find a cure.
I wished that there was happiness.
I wished that there was joy.
I wished for a happy childhood,
For every girl and boy.
I wished there was no greed,
And all the wealth was shared.
I wished we lived in a world,
Where everybody cared.
I wished there was contentment,
In every single home;
That not a single soul, on Christmas,
Have to spend it on their own;
But there are still some wishes
That even money can't buy...
We could make the world a better place
We all just need to try.
